

Kind Regards, Mrs Sue Waterhouse, Principal

## ....Merriwa ESC News....

Congratulations to our Year 6 students who participated with confidence and enthusiasm at the various camp activity days last week. These students represented our school so brilliantly and we are so proud of their efforts. Thank you to the primary school students and staff and to the ESC staff for ensuring success for all students.

Several students will receive an invitation to attend ten pin bowling to reward them for their behaviour this term. More information has been sent home through the student's home/school communication book. Please sign the permission forms at your earliest convenience.

Thank you to all the families that have supported our Grill'd campaign at Ocean Keys. We have until the end of May to support the ESC towards winning \$300. You still have time to add your token to the MESC barrel.

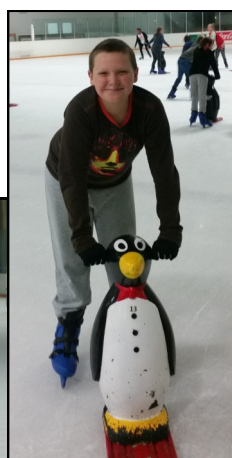

Teachers are currently working on the Student Semester Reports which will be finalised for your information at the end of term. Parents/Carers will be invited to attend a meeting with the teachers in the final week of term.

Parents/Carers are asked to be careful when parking around the school each morning/afternoon. Apparently the rangers have been blitzing schools in the past few weeks and some people have received notices.

I am taking a few days long service leave and will return on Wednesday 1 June. Mrs Christina Maunick-Sallie can be contacted for any enquiries in my absence.

Congratulations to all students who earned a merit certificate at assembly last week.

*Mrs Karen Macri, Principal ESC*

## Room 12

This term, room 12 have been learning about the environment sustainability and recycling. They have participated in fun and engaging lessons that included how to keep their beautiful planet safe. This includes the animals and trees that surround us. We discussed that without trees we would not be able to survive. For this activity the students went out into the playground area to collect leaves, sticks and bark of all different shapes and colours and used these materials to create fabulous art pieces. These art pieces represented different animals and insects that we find on our planet. They did an amazing job and even came up with creative and funky names for each art piece. Thank you for an excellent art lesson Year 2!

Mrs Barr and Miss Fairclough

**Supported by Developmental Disability WA (DDWA)**  
**COFFEE MORNING TEA**

**Clarkson Library Meeting Room**  
**27 Ocean Keys Boulevard, Clarkson 6030**

*Please join us for an informal coffee morning and meet other mums/carers who understand how challenging life with Autism can be ....*

**Tuesday 7th June 10.00am – 12.00pm**

**(You can come later or leave earlier if you need to)**

**\*For more information about the group and dates contact one of the group Coordinators.**

Old MacDonald's travelling farm came to visit our school in week 4. Our students were able to feed, brush and hold the animals which included sheep, goats, piglets, ducks, chickens and rabbits. Some students were nervous at first but by the end of their session were happy to pick up and give the animals a cuddle.

## OLD MACDONALD'S FARM

### BUTLER COLLEGE TRANSITION PROGRAM

**Prior to the transition day, a parent evening will be on Wednesday 29th June 2016 from 6pm - 7pm. This is an opportunity for parents to ask any questions that they may have about Butler College.**

### Incoming Year 7 students 2017 Transition Day

**Term 3 2016 Monday 1st August, 3.30pm - 4.30pm**

**Term 4 2016 Monday 24th October, 3.30pm - 4.30pm**

### Your local ideas in action

Clarkson Library//Wednesday 25th May 2016

Cnr Ebb Way & Ocean Keys Blvd, Clarkson

Registration from 6.00pm-6.30pm

Warradale Community Centre/Thursday 2 June 2016

Southmead Dr, Landsdale

Registration from 6.00pm-6.30pm

Have you ever wondered how you could....

- Host an activity in your local area
- Start up a new community program
- Put on a neighbourhood barbeque

If you have ever wanted to "do something" in your community, this is your chance to get started. Join us to connect with like minded people, chat about your ideas and be inspired by stories of local community in action with our special guest, Peter Kenyon, social entrepreneur and community enthusiast.
