Fairy Tale Times

Farmer Fred Grows An Enormous Turnip!

There was a surprise last night at the Fairy Tale town vegetable show. Farmer Fred had brought his enormous turnip to show the judges and it was the size of a car!

The farmer had planted his turnip in March. He worked hard to feed and water it every day. He was shocked by how big it grew.

The farmer needed the help of his wife and his grandchildren and even some of the farm animals to pull up the turnip. Then they had to move it to the show. Fred used his tractor to pull the turnip.

1. Can you find another word in the text that means 'enormous'?

2. Where does the vegetable show take place?

3. Who is the first character that we meet in the text?

the farm animals

the farmer's wife

Farmer Fred

the farmer's grandchildren

4. Which fairy tale do you think this newspaper report is about?

The Gingerbread Man

The Enormous Turnip

Goldilocks and the Three Bears

The Princess and the Pea

The Farmer and his Sons

One day, there was an old farmer who had worked hard all his life. He was very ill. He had three sons. He wanted them to be good farmers. He said to them, "There is a treasure in my land. Promise me that you will look for it." Sadly, the father died. The sons looked for the treasure. They dug and dug the soil. "What will we find?" they said to each other. Soon, they had dug up all of the land. They had not found any treasure. They were upset. "All that hard work for nothing!" they said.

1. **Find** and **copy** the word that the author used to describe how the sons were feeling when they did not find the treasure.

2. How many sons did the farmer have?
Tick one answer.

- two three four

3. Why do you think the sons 'dug and dug' in the soil?

4. Number the steps below from 1 to 4 to show the order they happen in the explanation.

- The sons dug and dug. The farmer sadly died.
- The sons couldn't find the treasure. The farmer told his sons to look for some treasure.

Give this your own title:

Infer from the whole comic strip what is happening in each cell. Add a description and draw your own picture in the last cell.

Give this your own title: _____

Infer from the whole comic strip what is happening in each cell. Add a description and draw your own picture in the last cell.

Infer from the whole comic strip what is happening in each cell. Add a description and draw your own picture in the last cell.

Give this your own title: _____

Infer from the whole comic strip what is happening in each cell. Add a description and draw your own picture in the last cell.

Give this your own title: _____

Infer from the whole comic strip what is happening in each cell. Add a description and draw your own picture in the last cell.

DOGS MAKE THE

BEST PETS

When it comes to pets, dogs are most certainly the best choice. They are loyal, affectionate and active companions. No other choice of pet can compete with a dog.

Firstly, dogs are incredibly loyal companions. They see themselves as a part of the family and will always be there for you, no matter what happens. Secondly, dogs are extremely affectionate animals. No other animal can show their love when you arrive home at the end of the day quite like a dog can. Thirdly, dogs are very active. This means that you can always keep fit and healthy, taking your dog for walks and playing games together.

For these reasons, it is clear that dogs make the best pets. Other animals might have some good qualities, but dogs are the most loyal, affectionate and active companions of them all.

Name: _____

Date: _____

Comprehension Questions

1) The writer states 'no other choice of pet can compete with a dog.' What do you think the writer is trying to say?

2) What does the word 'affectionate' mean?

3) What is the purpose of this text? To convince you to...

3) What are the three words the writer uses to describe dogs in the first paragraph?

Comprehension Questions

4) List the three main arguments the writer uses to explain why dogs are the best pets.

1. _____

2. _____

3. _____

5) Which argument do you think is the best? Why?

6) Using the text, what do you think the word active means? Give reasons for your answer.

7) Underline the words in these sentences that help to persuade the reader to get a dog as a pet:

1. *When it comes to pets, dogs are most certainly the best choice.*

2. *Firstly, dogs are incredibly loyal companions.*

Coin Flip Chance Experiment

I can perform repeated trials of a chance experiment and discuss the results. (ACMSP067).

Flip one coin 12 times and record each flip as a tally mark.

Equipment I will need:

- 1 x coin
- pencil
- activity sheet

Instructions:

1. Flip the coin.
2. Record the result as a tally mark whether the coin landed on heads or tails in the correct space in the table below.
3. Repeat steps 1 and 2 eleven more times (so that you have flipped the coin 12 times).

Before you begin make a prediction on what you think the results will be.

My prediction is: _____

Coin Flip Results:

	Number of Times												Total	
	1	2	3	4	5	6	7	8	9	10	11	12		
Heads														
Tails														

Was your prediction correct? Why/why not?

If you were to complete this chance experiment again do you think the results would be the same? Why/why not?

Complete the coin flip chance experiment again.

My revised prediction is: _____

Coin Flip Results:

	Number of Times												Total	
	1	2	3	4	5	6	7	8	9	10	11	12		
Heads														
Tails														

Coin Flip Questions

Do you think that there is an even chance of flipping a head or tail? Why/why not?

Was your revised prediction correct? Why/why not?

Are the second tally results the same as your first coin flips?

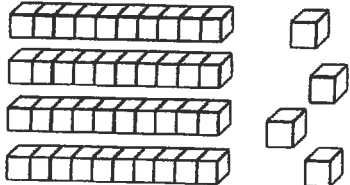

What is different?

What is the same?

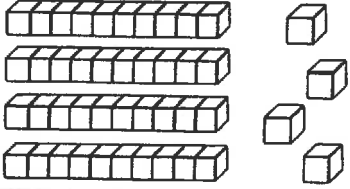

Why do you think there is/is not a difference in the two coin flip results?

If you were to complete this chance experiment again but flip the coin 40 times do you think the results would be similar? Why/why not?
