# HOUSE FOR SALE!

Carefully read the description of the property features below. Using only the information given, sketch the exterior of the front of the house in the space available. Read through the information carefully as not all of it will be needed to sketch your house.

You'll love this gorgeous single-storey home located just three blocks from Parkside Primary School in Pentonville. This solid structure of brown, man-made material, topped with a canopy of emerald tiles, will give you 150 square metres of cosy home. Winters are toasty when sitting by crackling embers. Wake up each morning to awe-inspiring sunrises through the front rooms and entry. Approaching the matted stoop, you are immediately greeted by ruby wood with a gorgeous brass knob. A low maintenance, moveable garden highlights the quaintness of the house with indoor drapes matching the pale-red garden roses.

Contact the realtor for further information.

1. Look at these statements. What words could you use to say how likely they are to happen? Write down as many as you can.

| Statements                                                              | Likelihood Vocabulary |
|-------------------------------------------------------------------------|-----------------------|
| The principal will come to school tomorrow.                             |                       |
| It will get dark tonight.                                               |                       |
| Your classmates will turn into fish.                                    |                       |
| Your friend will be a train driver when he's a grown-up.                |                       |
| If I roll a die, I will get an odd number.                              |                       |
| Humans will travel to Mars in a rocket.                                 |                       |
| The supermarket will give away all their electronic games tomorrow.     |                       |
| When I get home, Mum will tell me we are going to McDonalds for dinner. |                       |

2. Now look at the words you thought of. Can you write them on this line in order of probability?

certain \_\_\_\_\_ impossible

# Represent Me

I can show numbers using different representations.

Choose a number from the choice below.

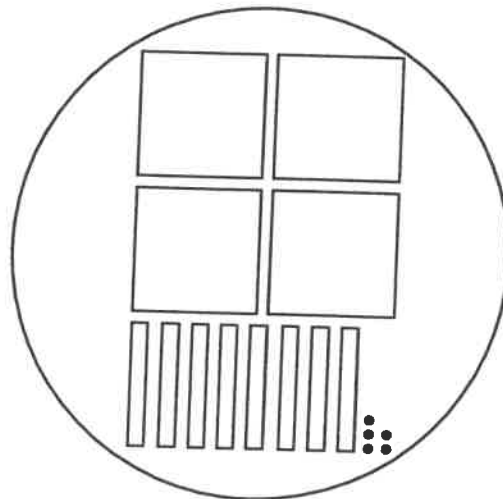

|     |     |     |     |     |     |
|-----|-----|-----|-----|-----|-----|
| 328 | 295 | 493 | 412 | 374 | 179 |
|-----|-----|-----|-----|-----|-----|

Show the number in as many ways as possible. E.g. 485

four hundred and eighty-five

485

$400 + 80 + 5$

# Represent Me

Number:

# Representing Numbers Worksheet 1

Draw an arrow to show the following numbers on the 0-100 number lines:

a) 45

b) 13

c) 98

d) 75

e) 26

f) 57

g) 24

h) 87

# Addition and Subtraction Fact Families to 100

For each set of numbers, write four different addition and subtraction facts.

$$\begin{array}{r} \square + \square = \square \\ \square + \square = \square \\ \square - \square = \square \\ \square - \square = \square \end{array}$$

$$\begin{array}{r} \square + \square = \square \\ \square + \square = \square \\ \square - \square = \square \\ \square - \square = \square \end{array}$$

$$\begin{array}{r} \square + \square = \square \\ \square + \square = \square \\ \square - \square = \square \\ \square - \square = \square \end{array}$$

$$\begin{array}{r} \square + \square = \square \\ \square + \square = \square \\ \square - \square = \square \\ \square - \square = \square \end{array}$$

# Addition and Subtraction

## Two-Step Word Problems

Aim: I can solve two-step problems involving addition and subtraction.

1. John buys 12 pencils one week and 7 the following week. He gives 3 pencils to his friend.

How many pencils does he have left?

2. Lydia has 15 marbles. She takes them to her friend's house. She loses 3 on the way and 4 in the house.

How many does she have left?

3. Asif has a packet of biscuits. There are 12 in the packet. He gives 6 of the biscuits to some friends. He buys another packet of 12 biscuits.

How many biscuits does he have now?

4. Amina collects 23 conkers. She gives 6 of the conkers to her brother and 8 to her sister.

How many conkers does she have left?

5. James and Zain bring their football cards to share with their friend Thomas. James brings 14 and Zain brings 11. They give Thomas 8 cards between them.

How many do James and Zain have left altogether?

6. A greengrocer has a box of apples.  
In the morning he sells 17 apples.  
In the afternoon he sells 6 apples.  
At the end of the day there are 11 apples left in the box.

How many apples were there at the start of the day?

7. In a school kitchen, the cook has 20 pie trays.  
She makes meat pies and vegetarian pies.  
The cook uses 8 trays for the meat pies and 7 for the vegetarian pies.

How many trays are not used?

8. A teacher collects a bag of 28 balls for a PE lesson.  
There are 3 colours of ball.  
There are 13 blue balls and 8 green balls.

How many red balls are there?

9. A farmer has 26 cows, which he keeps in 3 fields.  
After counting 12 in the first field and 5 in the second,  
how many cows would he expect to find in the third?

10. A photographer takes 34 photographs in a day.  
She takes 13 in the morning and 12 in the afternoon.  
She takes the rest of the photographs in the evening.

How many photographs does she take in the evening?

# Australia Day

Australia Day is the national day of Australia and takes place on the 26th of January every year across the country of Australia. This date is the anniversary of Captain Arthur Phillip raising the British flag in Sydney Cove to mark the new colony of Britain. This happened many years ago in 1788! For many people in Australia, especially Indigenous Australians, this day is referred to as 'Invasion Day' as they remember the anniversary of the invasion of their lands.

Australians celebrate Australia Day in different ways. Some people enjoy going to a special concert or watching a fireworks

show. Other Australians spend the day at the beach or having a picnic with friends or family.

It is also the time of the year when important national awards are given to people who show great Australian values. There are four of these awards given every year. They are for Australian of the Year, Young Australian of the Year, Senior Australian of the Year and Australia's Local Heroes.

# Questions

1. What date is Australia Day?

---

2. What year did Captain Arthur Phillip raise the British flag in Sydney Cove?

---

3. What are two ways that Australians celebrate Australia Day?

---

4. Why do Australians enjoy spending Australia Day with friends or family?

---

5. What do you think is meant by Australian values?

---

## Ham and Pineapple Pizza Muffins

---

- Prep 0:10
- Cook 0:10

### Ingredients

- 3 English muffins (split)
- 6 tbsp. pizza sauce
- 4 slices ham (diced)
- 1 tin crushed pineapple (well drained)
- 3 cups pizza cheese
- Any topping you choose

### Method

- 1. Toast the muffins in the toaster and spread 1 tablespoon of pizza sauce on each.
- 2. Scatter ham and pineapple (or topping of choice) on the pizza sauce.
- 3. Top with pizza cheese.
- 4. Place under the grill until the cheese is melted and serve.

### Notes

- You can do these in the oven for 10 minutes at 160C fan-forced to melt the cheese.
