Merriwa ESC News...

Welcome back for Term 3. I trust you have all enjoyed a safe and restful holiday. The weather provided a wonderful opportunity to stay cosy and sleep in... for some. It has been a joy to see the kids return looking happy and rested.

This term sees a focus on physical activity as the children prepare for various athletic carnivals and events. We also look forward to our weekly session at Atlantis Play Centre in Clarkson for our Recreation Program on a Wednesday.

A calendar of events will be sent home shortly. In the meantime we will send reminders through DoJo.

Superstars

Congratulations and well done Mikenzee and Danika for your recent involvement with Coloured Spaghetti on The Couch. I was very entertained and informed by the segment on Art Therapy.

Staff and Classroom changes

Currently Mrs Gore is out on Long Service Leave and we welcome back Mrs Livingstone who is taking over Mrs Gore's role until her return.

Ms Hawker has joined Room 24 staff and Ms Marsden is supporting Room 26 as we welcome new enrolments this term. Due to the increase in student numbers in room 26, staff will make use of 2 classrooms to accommodate the learning activities throughout the day.

Communication Bears

Our AAC committee has been busy creating these adorable resources that will support each class to model effective communication strategies using visual prompts. I look forward to the progress of this initiative.

Grill'd Clarkson: Merriwa ESC won the \$300 prize at the end of last term. Thank you to all community members who supported this venture. We gratefully accept the prize money which will go towards our Bike Safety program.

Sick Children: We like to keep your child safe and healthy and do our best to ensure that the classrooms are kept clean and germ free. It is so important that sick kids are kept at home to rest and recover, particularly when they are contagious. Your assistance is much appreciated in containing the spread of viruses.

It is very important that the school is contacted if your child is away. A phone call or a note in the communication book allows us to comply with the Department requirements. It is essential to provide proof of absence if your child is not at school for more than two days.
