

*From the Principal....Merriwa ESC...*

This is a very busy time of the year for families and for the school. Teachers are currently finalising assessment of student progress and formulating student reports which will be available to parents/carers in the final week of term. It has been wonderful to wander through classrooms these past weeks to see the students engaged in a variety of activities and to reflect on how far they have come this year.

**Upcoming Events**

Please keep special dates in your diary so that you don't miss upcoming events:

I trust that all families are staying well during these frantic weeks. I hope you are able to attend the many functions that are planned in the coming weeks.

It is very important that the school is contacted if your child is away. A phone call or a note in the communication book allows us to comply with the Department requirements.

# MUSIC NEWS

This is an exciting term for music as the students find more opportunity to showcase their talents. We have our Christmas concert on Monday 15<sup>th</sup> December at 9 am and all the classes have been working hard on their item. The flute students have been giving up a lot of their time to work together on a variety of songs. They sound beautiful and it will be wonderful to hear them perform together for you. We are also working on the Carols by Candlelight performance. Thank you for your support and we hope you enjoy the Christmas concert.
