From the Principal's Desk...

Dear Parents and Caregivers,

## Canberra Asks Merriwa Our Opinion...

Merriwa Primary School continues to be at the leading edge in directly teaching phonics and spelling. This week we had a visit from Michael Roberts, who is on the Gonski 2.0 panel in Canberra and who had heard about our success in direct instruction. The Gonski 2.0 panel is working out how to distribute funding for schools across the nation and Michael wanted to ask our opinion about how best to make a difference. We asked for help to extend our reading program and for psychologist and social worker support for families. Michael will be coming back later in the term and we look forward to working together with him to make a difference for the students at Merriwa, and across the nation.

## Safe Parking and Bus Service Disruption

We thank all parents who park safely around our school. Just a reminder that the staff car park is not open to parents, except if you have a Disability Parking Permit.

Transperth has informed us that there has been a temporary bus route change, for Route 483, while there are changed conditions at the intersection of Baltimore Parade and Hester Avenue. This came into effect on 30 July 2017 and will be in place until further notice. The full details are available on their website: www.transperth.wa.gov.au/Service-Updates/Bus-Updates/Bus-Update-Details/

A temporary bus stop has been placed on Greyhound Drive, near Addison Gardens.

This has increased the traffic along Greyhound Drive and we ask that you take extra care while this change is in place. PLEASE HELP TO KEEP OUR CHILDREN SAFE.

## Miss Christy the Chaplain Makes a Difference...

We are grateful to Miss Christy, her friends from the local church, board members, staff, parents and children for working so hard last Saturday in the vegetable garden. We had a

great time and the garden is looking fantastic. The children have asked for another Busy Bee! Stay tuned for another date. We are also grateful to Miss Christy for organising the free bread and for the wonderful donation from Coles Clarkson for our breakfast club. We are lucky to have such a hard working chaplain at our school.....thank you!

## Swimming and Dancing in Term 4

In Term 4 we have booked swimming lessons at a cost of \$50 for Pre Primary to Year 6 students and dancing lessons for Years 4 – 6, also at a cost of around \$40. For families who have more than two children, the third and fourth children are free for the dancing. These programs are part of the PE curriculum and we are happy for you to begin part payments from this week, to assist you in planning ahead.

Kind regards Sue Waterhouse Principal

#### Merriwa ESC News....

#### **Atlantis**

Our weekly visits to Atlantis as part of our Recreation Program has been a wonderful success. The students are accessing public transport and enjoying the experience. A big thank you to our senior students who are showing some leadership skills and supporting their younger peers.

## Bike Safety Program

Now that our shed has been installed I am able to take donations of bikes that you may no longer require. We will happily accept bikes that need some minor repairs. In particular the ESC is looking for bikes that would suit children from year 3 to year 6. If you are able to donate an unused bike please call the office to make arrangements: 9305 9897.

#### Coming Up this term

- ♦ Merriwa ESC Showcase at the Education Support Conference: Thursday 24<sup>th</sup> August
- ♣ Book Parade Mystical Creatures: Friday 1<sup>st</sup> September
- ♦ P&C Disco on Friday 1<sup>st</sup> September
- ★ ESC Interschool athletics at Beldon: Thursday 7<sup>th</sup> September
- ★ Merriwa Carnival: Thursday 14<sup>th</sup> September
- ★ Merriwa Campus Learning Expo: Wednesday 20th September

#### **Enrolments for 2018**

Expressions of interest for enrolment into the ESC and the Early Intervention program are being accepted at the ESC office. There has been a lot of interest for kindy enrolments for next year.

#### School Readiness Program

Our playgroup program is well attended each week. If you know of a family who has a 2 - 3 year old with a disability or learning delay please let them know to call the office for more information.

#### Parking

This continues to be an issue in our school. Please be considerate of our children's safety and do not park in the staff car park. Only ACROD permit holders are able to access the reserved parking bays.

#### Sick Children

We like to keep your child safe and healthy and do our best to ensure that the classrooms are kept clean and germ free. It is so important that sick kids are kept at home to rest and recover, particularly when they are contagious. Your assistance is much appreciated in containing the spread of viruses.

It is very important that the school is contacted if your child is away. A phone call or a note in the communication book allows us to comply with the Department requirements. It is essential to provide proof of absence if your child is not at school for more than two days.

#### NAPLAN ONLINE - TRIAL OF THE NEW ONLINE ASSESSMENT PLATFORM

You may have heard that NAPLAN online is being introduced from 2018, with an aim for all schools to be administering NAPLAN online by 2020.

NAPLAN online will provide better assessment, more precise results and faster turnaround of information. Your child's results will be returned to you faster, within a few weeks rather than a couple of months.

Our school has volunteered to undertake a trial to enable us to assess our technical readiness to implement the new online assessments. This trial gives us a chance to try out the new national online assessment platform in a real-life classroom environment. This trial is called the School Readiness Test (SRT).

During August 2017, some of our students in Years 3 will participate in a trial of the assessment platform, by undertaking one online readiness test that include examples of the new NAPLAN online questions. This test will take about 45 minutes to complete.

Participating in this trial is important as it will help us ensure we have adequate internet connectivity, and whether students have access to sufficient number of devices for NAPLAN Online testing. During the trial, our teachers will have the opportunity to practice managing the classroom logistics for an online assessment and the new test administration processes.

Feedback from schools participating in the trial will inform transition to the online assessment as well as provide valuable feedback to shape the final development of the NAPLAN online platform and administration processes.

The readiness test has not been constructed to assess curriculum knowledge, but rather to provide students with an opportunity to experience the *types* of questions that will be included in the new online assessments. As such, reports will not be provided.

Participation in this trial is a key step to ensuring a successful NAPLAN online experience.
