The Enormous Turnip

Once upon a time, there lived a little old man and a little old woman.
One day, the little old man planted some turnip seeds.

One of the turnips grew... and grew... and grew... until it was enormous.
The little old man pulled, and pulled but still the turnip would not budge.

The little old man shouted to his wife to help.
Together they pulled, and pulled, but still the turnip would not budge!

So they shouted to a boy who was playing in the field.
Together they pulled, and pulled, but still the turnip would not budge!

So they all shouted to a girl to help.
Together they pulled, and pulled, but still the turnip would not budge!

So they all shouted to the old man's dog to help.
Together they pulled, and pulled, but still the turnip would not budge!

So they all called the little old woman's cat to help.
Together they pulled, and pulled, but still the turnip would not budge!

So they all called the farmhouse mouse to help.

Together they pulled, and pulled, and pulled, and suddenly... out popped the enormous turnip! The little old man was very pleased.
He invited everyone round for a turnip dinner!

Questions about The Enormous Turnip

Answer the questions below in full sentences.

1. Name three characters in the story.

2. What vegetable were they trying to pull up?

3. Who tried to pull it up on their own?

4. Who did the little old man call to help him first?

5. Who did they call to help them after the little old woman?

6. Where was the boy playing?

7. What pet did the little old man have?

8. What pet did the little old woman have?

In a game of cricket, Jacob scored 4 runs in the first game, 3 runs in the second game and 3 runs in the third game. How many runs did he score altogether?

Number reversal

Using our *magic* thumb to help
with number reversal

Handwriting practice paper with 10 sets of three horizontal lines (top, middle, bottom) for letter formation. Each set is separated by a larger gap. The lines are evenly spaced and extend across the width of the page.

Draw things around your house you
could use to create sounds.

Example; You can use spoons together as tapping sticks.
